

WVMA Legislative Meetings

Meet your legislators and discuss your company issues!

What

The WVMA is hosting meetings around the state to give you an opportunity to discuss your issues with your local legislators.

The meeting will begin with a reception at 6:00 p.m. This will give you an informal setting to discuss issues with the people who make the decisions on the policies enacted in West Virginia. A short program, outlining WVMA's legislative agenda will begin at 6:30 p.m. and dinner will follow. You should be heading home by 8:15 p.m.

This venue will give you a chance to talk to your legislators about the problems you encounter at your company. It will also be an opportunity to help us promote our legislative agenda. An overview of our legislative agenda will be available in advance.
